Susan, again many many thanks. If you can't open this I am also faxing a copy to your office. I haven't heard anything to the contrary from our Lawyer so am assuming our deal must of closed on Wed.

Dear Susan,

Rick and I would like to extend our sincere appreciation for the exemplary service that you provided to us on the recent purchase of our French Creek home.

We have purchased and sold a number of homes and we can honestly say that we have never had better service from a Realtor.

You were able to assess and determine our needs in a very short period of time, and even took the time to provide us with information on other properties that were outside your area.

We valued your open, honest and caring approach and really appreciated the fact that you went above and beyond the "call of duty" in assisting us with all the complexities and additional arrangements required as a result of our living out of Province.

We will have no hesitation in recommending you to anyone who is looking to relocate to the Nanaimo Parksville area and is looking for a Realtor who exhibits all the qualities you could ever want in a Real Estate Professional and, to top it all off, who is a genuinely nice person.

Again, our heartfelt appreciation for all you have done for us.

Yours truly,

Barb Stobie
